2024 Reading Grades 4 and 8 Assessment Report Card: Summary Data Tables for National Participation Rates, Proportions of SD and EL Students Identified, Accommodation Types

School and student participation rates at grade 4 in NAEP reading, by type of school: 2024

Type of school	School participation			Student participation	
	Student-weighted percent	School-weighted percent	Number of schools participating	Student-weighted percent	Number of students assessed
Nation	95	83	5,780	92	108,200
Public	100	100	5,540	92	104,400
Private	45	39	150	90	1,500

NOTE: The national totals for schools include Department of Defense Education Activity (overseas and domestic schools) and Bureau of Indian Education schools, which are not included in either the public or private school totals. The national totals for students include students in these schools. The number of schools is rounded to the nearest ten. The number of students is rounded to the nearest hundred. The school participation rates are student-weighted percentages before substitution. Columns of percentages have different denominators. Detail may not sum to totals because of rounding.
